

2010 LOVEWELL INSTITUTE SCHOLARSHIP POLICY

(Please keep for your records)

Policy Statement

Lovewell Institute is a nonprofit organization dedicated to creating new realities – in education, in the arts, in the community and in personal lives.

To the extent possible, Lovewell will offer **partial** scholarships to families with limited financial resources based on the applicant's demonstrated financial need. Each student is eligible for one scholarship per summer.

Selection Process & Timeline

The Scholarship Committee will select award recipients based on a thorough review of all scholarship applications. The amount of each award will be determined based on total household income, number of residents, and other personal and extenuating circumstances. All information will be maintained in strict confidentiality.

Lovewell Institute will begin accepting scholarship applications on February 1st, 2010 and will notify applicants of its decisions by April 15th, 2010.

Students must be accepted into a workshop before applying for a scholarship. When you are choosing your payment method in the application process, please choose **pay by check**. This will keep your account open until the decision about your scholarship application has been made. If you would like to make payments in the mean time, you can do so by calling 954-270-6452. Should you be awarded a scholarship,, the balance of your workshop registration fee (net of the scholarship amount) must be paid by May 20th, or your scholarship will be redistributed to another student.

Please note that before we may consider your application for scholarship, you must complete the on-line registration, pay the \$25 application fee and have been accepted into the program. If you haven't already done so, please go to Lovewell.org to register. **Once again, you will be notified, via e-mail, about your request by April 15th, 2010.**
